Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight.

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight.

Fair Practice Code for Advertising and Selling recommended by the Association of Better Business Bureaus, Inc.

I. Serve the public with honest values.

II. Tell the truth about what is offered.

III. Tell the truth in a forthright manner so its significance may be understood by the trusting as well as the analytical.

IV. Tell customers what they want to know — what they have a right to know and ought to know about what is offered so that they may buy wisely and obtain the maximum satisfaction from their purchases.

V. Be prepared and willing to make good as promised and without quibble on any guarantee offered.

VI. Be sure that the normal use of merchandise or services offered will not be hazardous to public health or life.

VII. Reveal material facts, the deceptive concealment of which might cause consumers to be misled.

VIII. Advertise and sell merchandise or service on its merit and refrain from attacking your competitors or reflecting unfairly upon their products, services, or methods of doing business.

IX. If testimonials are used, use only those of competent witnesses who are sincere and honest in what they say about what you sell.

X. Avoid all tricky devices and schemes such as deceitful trade-in allowances, fictitious list prices, false and exaggerated comparative prices, bait advertising, misleading free offers, fake sales and similar practices which prey upon human ignorance and gullibility.

Features and Departments of a City Directory

Your new, improved City Directory is the most complete and comprehensive catalog ever published of the inhabitants, business concerns and institutions of your city. It is much more than just an alphabetical list of names and addresses.

Your City Directory Contains:

1 An *ALPHABETICAL* list of names and addresses of every resident, business concern and institution, plus wife's name and if a widow the deceased husband's initial, and the occupations of all. Principal officers or owners and a description of businesses are included as well.

2 *A HOUSEHOLDERS' DIRECTORY* including a Street and Avenue Guide. This section lists every street and where intersecting streets appear. It lists numerically every location on each street, naming the householder or business at each number and whether the person is a homeowner or renter and if he has a telephone. Similar information is provided on office and public buildings and their occupants.

3 A *CLASSIFIED BUSINESS DIRECTORY* listing every business, classified as to type, and showing names and addresses. It also lists every profession, club, society and association, hospital and cemetery, labor organization, library, park and playground and school.

4 A *"YELLOW SECTION"*, where the advertiser may explain in greater detail the services or products he has to offer.

5 A *STATISTICAL and HISTORICAL STORY* of your city: plus miscellaneous other information.
